## Umaid Shahid

umaidshahid1@gmail.com | umaid.dev | github.com/umaidshahid | Kaiserslautern, Germany

Rheinland-Pfälz Technical University, Germany – MSc in C	omputer Science	2025
University of Central Punjab, Pakistan – BSc in Computer	Science	2020 - 2024
Experience		
Full Stack Software Engineer, YRA Tech – Massachusetts, L	JSA (Remote)	July 2024 – Presen
• Developed an enterprise-grade accessibility testing plat	form	
• Building and maintaining robust web applications using	Next and React	
• Developing server-side logic and RESTful APIs using Nex	t and Typescript	
Designing and implementing database schemas and que	eries using PostgreSQL	
Creating responsive and accessible user interfaces		
• Implementing automated accessibility testing, integrati	ng WCAG 2.1 guidelines	
• Using tools like axe-core, Testaro & IBM-Equal Access		
• Staying current with evolving web standards and access	ibility guidelines	
Skills		
SKIIIS		
Frameworks: React, Next, Node		
Frameworks: React, Next, Node	QL, MongoDB	
Frameworks: React, Next, Node Languages: Javascript, Typescript, C, C++, Python, Postgres Tools: AWS (EC2, Lambda, S3, CloudFront), Git, Github, Do		
Frameworks: React, Next, Node Languages: Javascript, Typescript, C, C++, Python, Postgres	cker, Coolify, Vercel, Jira, Testaro	e-accessible-footnotes-plugir
Frameworks: React, Next, Node Languages: Javascript, Typescript, C, C++, Python, Postgres Tools: AWS (EC2, Lambda, S3, CloudFront), Git, Github, Do Projects	cker, Coolify, Vercel, Jira, Testaro	e-accessible-footnotes-plugir
Frameworks: React, Next, Node Languages: Javascript, Typescript, C, C++, Python, Postgres Tools: AWS (EC2, Lambda, S3, CloudFront), Git, Github, Do Projects Accessible Footnotes TinyMCE Plugin	cker, Coolify, Vercel, Jira, Testaro	e-accessible-footnotes-plugir
Frameworks: React, Next, Node Languages: Javascript, Typescript, C, C++, Python, Postgres Tools: AWS (EC2, Lambda, S3, CloudFront), Git, Github, Do Projects Accessible Footnotes TinyMCE Plugin • Free and open-source plugin for TinyMCE 6.2+	cker, Coolify, Vercel, Jira, Testaro	e-accessible-footnotes-plugir
